Product Description

Finally, a Monopoly for cat lovers. You can buy streets based on everything about the house cat and their favourite places. Instead of the community and event cards, there are affectionate "outdoor cat" and "flat cat" cards here. But be sure to land on the right field, otherwise it will be expensive - cat litter or the vet have to be paid for. Attention! Not suitable for children under 36 months.

- Number of persons: For 2 to 6 players
- Age: from 6 years
- Game duration: 60 to 120 minutes
- Publisher: Winning Moves GmbH
