Why did a father become world famous when he needed help getting dressed? Why did a huge wave save Captain Brisco's life? Why does Samantha always sneeze when Cleo is around? These black stories junior bring together 50 curious mysteries that seem almost unbelievable and yet are 100% true. These bizarre stories about life-saving monster waves, monkeys with foreign language skills and flying children are always a little strange. And yet they really and truly happened! Only by asking questions, guessing and cleverly thinking outside the box can clever minds reconstruct the events. How to play: black stories junior are exciting puzzle stories on cards that have to be solved together. Only the expedition leader knows the solution to the puzzle, as he/she reads the puzzle on the front out loud and is also allowed to study the solution on the back in detail. The adventurers now try to find the solution step by step by asking questions, guessing and puzzling. New game variant: One puzzle card is solved per game. Only the game master knows the solution and the guessing team approaches it step by step by asking questions, guessing and puzzling ... as usual! But watch out: Particularly clever questions that lead to a hot clue are rewarded with point chips. The guessing fox who solves the puzzle receives an additional 3 point chips. Whoever has collected the most scoring chips at the end of the game wins!- Number of players: For 2+ players aged 8+- Playing time: 15 minutes
