Clever BLUFF GAME with an agent feelQuick game start thanks to simple rules,Unusual card concept: there are only zeros and ones - several strategies lead to victoryHOW IT'S PLAYED: There are only two different cards in the entire game: 0 and 1. Everyone tries to play certain combinations of these cards in front of them to win the game. On your turn, you can play a card from your hand face down in your display, reveal a card in your own display or try to steal a face-down card from another player's display. But be careful! If you steal a 0, you have to pay dearly for it. The first player to reveal three more 1s than everyone else wins - unless someone else can steal the victory by revealing five 0s in their own display one after the other.Important notesCaution!Not suitable for children under 36 months.- Number of players: For 2 to 4 players aged 8 and over- Playing time: 20+ minutes
