Product Description

Ubongo fun in the third dimension: even more captivating, exciting, higher and yet super simply explained and wonderfully fast-paced! The new challenge with the laying fun that thrills the whole family: The aim here is to completely cover each laying surface on two levels. Who will be the first to place the pieces next to each other, on top of each other and inside each other and shout "Ubongo! And will the other players also succeed in solving their own puzzle before the hourglass expires? Gems are the reward, and at the end, the player with the most valuable collection of gems becomes the master of the puzzle art.

Two levels of difficulty offer an easy start and long-lasting puzzle fun. The precious laying pieces made of natural wood fibres set new standards for all Ubongo builders. But beware: the addiction factor also rises to new dimensions with this game!
