

Item no.: 366865

Building model - Metal City (GB)

from **31,52 EUR**

Item no.: 366865
shipping weight: 1.60 kg
Manufacturer: e-Raptor

Product Description

Construction - Metal City will move your battlegrounds to the Sin City - post-apocalyptic world of industrial war with rust, metal, concrete, and damage. Abandoned buildings, bunkers, and platforms will give you a range of possibilities for unforgettable battles.

Improve your game session thanks to the Terrain Systems - Sin City series!

All constructions are modular and made of extra durable HDF (High-density fibreboard - 3 mm).

The innovative production technology causes the glue is not required for assembly.

All elements are double-sided printed.

Attention! Not for children under the age of 36 months.

- Format: 33cm x 30cm x 3cm
- Weight: 1600 g
