Product Description

Insert Underwater Cities + New Discoveries is your must-have accessory designed to organize and improve the experience of the gameplay.

Thanks to our insert you can arrange all game components and sleeved cards to keep them in order - no more mess on the table while playing. No more looking for necessary elements during the game.

Moreover, when the box is closed, the components are still kept in order, ready for setting another game faster than ever!

The insert is durable and made of high-quality HDF. To assemble it, there is no glue required. It allows you to hold all components inside the box even when it's stored sideways! Everything fits in the base game box. The lid of the game box will not be lifted.

This offer concerns only insert. The game is not included.

The arrangement of game components and the insert is carefully described in the manual.

Attention! Not for children under the age of 36 months.

- Insert was designed for the box with dimensions 32 x 23 x 7 cm
- Weight: 500 g
