### Product Description

Ultra-durable tokens, made of 2mm plexiglass. Printed in UV technology with a translucent effect. Tokens have the same dimensions as cardboard ones. They also fit in our insert. In our offer, we also have token sets for the base game and Jagged Earth expansion.

Our acrylic tokens grant a much more immersive experience in your favourite board games. Make your components indestructible!

Attention! Not for children under the age of 36 months.

The token set for Spirit Island expansion: Branch & Claws contains 88 pcs tokens for the expansion:

- 22 Beast tokens
- 22 Wild tokens
- 22 Strife tokens
- 22 Disease tokens
