Product Description

Ultra-durable tokens, made of 2mm plexiglass. Printed in UV technology with a translucent effect. Tokens have the same dimensions as cardboard ones. They also fit in our insert. In our offer, we also have token sets for the base game and Branch & Claws expansion.

Our acrylic tokens grant a much more immersive experience in your favourite board games. Make your components indestructible!

Attention! Not for children under age of 36 months.

The token set for Spirit Island expansion: Jagged Earth contains 286 pcs tokens for the expansion:

- 35 Beast tokens
- 22 Wild tokens
- 22 Strife tokens
- 30 Disease tokens
- 25 Badlands tokens
- 16 Fear markers
- 24 Energy markers (18 pcs 1-energy markers, 6 pcs 3-energy markers)
- 12 Single-turn effect markers (defend) (6 of each in 2 colours)
- 36 Single-turn effect markers (isolate) (6 of each in 6 colours)
- 64 element markers (8 of each)
