Product Description

The ice is retreating... and a new era is dawning: 5,000 years after the fall of civilisation, new life is flourishing. In Revive, players each lead a tribe and try to rebuild the world according to their own ideals. In the process, they recruit survivors, explore new areas, construct buildings and populate the various locations. Certain actions let them collect artefacts. The game ends when the last large artefact has been removed from the board.

Revive is a complex building game, without battles or direct conflicts. A five-part campaign gradually brings new content into the game. Once everything has been unlocked, it can be re-experienced as often as desired.

Players: For 1 to 4 players aged 12 and over
Game duration: 90 to 120 minutes
