Product Description

The Frosthaven compatible insert is your essential accessory designed to organise and enhance the gaming experience.

Thanks to the insert, you can neatly arrange all game components and sleeved cards - no more chaos on the table while playing. No more searching for necessary elements during the game.

What's more, the components are still in order even when the box is closed, so you can start another game faster than ever before!

The insert is durable and made of high-quality HDF. No glue is required for assembly. It allows you to put all the components in the box. In the pictures you can see the proposed components in assembly.

This offer is for the insert only. The game is not included.

Caution. Not suitable for children under 36 months.

- Format: 30 x 30 x 6 cm
