### Product Description

Rich sods populate Victorian London. But the players are not among them. No, they are rather bag cutters who want to relieve the rich sacks of their jewellery, money and front door keys ... They won't miss any of that. Swindler is all about the "rich bags" and their purses. The players pull treasures out of various cloth sacks. They either sell the loot directly to fences or use it to fulfil lucrative contracts in order to become a master thief. But beware: some fine snobs are more attentive than expected. One wrong move and all the nice loot is gone! Caution: Not suitable for children under 36 months. - Number of players: For 2 to 4 players aged 10 and over - Playing time: 45 to 60 minutes
