Product Description

The third and final expansion to Tapestry.

Fantasy and Future introduces a new type of tapestry cards, enchanted cards. They give bonuses when tapestry cards are placed to their left or right. Some Tapestry cards can also be reserved so that they trigger on the 5th income turn. Furthermore, the expansion contains new civilisations, advanced capitals and tech cards. A collected rulebook with the rules of the basic game and all expansions is also included.

Can only be played together with Tapestry.

Caution. Not suitable for children under 36 months.
