from **25,40 EUR**

Item no.: 371230
shipping weight: 1.00 kg
Manufacturer: Pegasus Spiele

Product Description

Shadowrunners come in all shapes, sizes and with all abilities. Some of them can do very useful things when it comes to surviving in the shadows. For others, their usefulness is only apparent in special situations. But then their talents are all the more in demand.

The Usual Suspects contains useful tools and rules for both players and game masters and is a sourcebook for Shadowrun, Sixth Edition. The volume explores a wide range of Shadowrun characters. It describes twenty different archetypes and looks at how each of these specialists goes about their work in the shadows, what their backstory might be and how they develop. It also includes specific pros and cons and advice on playing the characters.

Caution. Not suitable for children under 36 months.

- Size: 21 cm x 30 cm x 2 cm
