Product Description

As the innkeeper Torben Trinkfest, another trader arrives in the harbour of Merchants Cove. Here there is no frippery, but strong swill, a soft bed - and sometimes a kick up the backside if someone makes trouble. But space is limited and besides, some guests are very picky and don't take every bed you offer them. Only with clever planning will you succeed in amassing great riches!

The Merchants Cove: The Innkeeper expansion allows five players to play the game.

Caution. Not suitable for children under 36 months.
