Product Description

The Harsh Methods content pack expands the base game by focusing on the harsh life within the village in Pagan: The Fate of Roanoke. The overwhelming presence of the Hunter is taking its toll, as more and more Roanokeans live their lives in fear - if not in bondage. A kind word here, a sneaky hint there, sways the popular mood in the witch's favour, while the hunter's efforts are turned against her.

Caution. Not suitable for children under 36 months.
