Product Description

The heroines of Drunagor fight with all their might against the darkness to keep the light of hope alive. But beyond the edge of reality there is another world - one where darkness has already taken over! The players must carry the light into this shadowy world and face the creatures of pure evil. But beware: where there is light, there is also shadow. The expansion The Shadow World for Chronicles of Drunagor adds two new chapters with over 10 hours of gameplay. Players can expect the new enemies Shadow Warden and Shadow Pain, as well as 9 new terrain maps, 5 new door cards and an adventure book full of exciting encounters, decisions and surprises. Caution. Not suitable for children under 36 months.
