Product Description

A new danger threatens Drunagor: on silent wings, a terrible dragon has returned from beyond the Gates of Death to ravage the land and establish his own reign of terror... But great threats bring forth even the noblest heroines! Mighty paladins stand up to this spawn of evil to defend the land and its people. But will their martial talent and holy power be enough to drive back the darkness?

The expansion Chronicles of Drunagor: The Undead Dragon brings the gigantic miniature of the undead dragon Aral Hezec and the paladins Jade and Drasek to oppose him. Players also get the new Corrupted Pawn enemy type, 3 chests, 8 new doors, and 16 terrain maps. The adventure book leads through an epic battle against the darkness in more than 10 hours of gameplay.
