Product Description

Over caviar and champagne, tech billionaire Alan Tusk wants to celebrate his latest success: he will embark on the first manned flight to Mars in a week's time. Not only celebrities from film, sport and business are invited to the celebrations on his luxury yacht, but also a number of Alan's old school friends. But when Alan's body is found in his suite in the evening, the celebration ends in a fiasco. You invite your guests to a dinner party where you all take on the role of a murder suspect. One of you has committed the murder, but you all have secrets that you would rather keep to yourselves. Try to find out the secrets of the other guests without making yourselves a suspect. Your goal is to solve the murder - or get away with the bloody deed. Caution! Not suitable for children under 36 months.

- Players: For 7 to 11 players aged 16 and over- Game duration: 180 to 240 minutes
