### Product Description

Can you wave to someone you don't know? Is there a ban on pasta carbonara in Russia? Do you have to sing in the shower? Can a winner lose? Do throat lozenges help against stiff necks? Do neighbours like loud parties in the middle of the week? Kurzschluss is more than 1,300 silly, crazy and funny questions that require you to answer the exact opposite of the correct answer with lightning speed and presence of mind. A crazy and entertaining parlour game where yes becomes no and no becomes yes. A game that challenges the grey cells in a very special way. A game that provokes lots of crazy and wrong answers and makes you laugh out loud. Are sit-ups and one-night stands the same thing? Is Elvis Presley normally called "The Queen"? Can hedgehogs be run over? Who gets the hang of it best and who gets a knot in their head? Kurzschluss makes an excellent gift and is an unrivalled mood maker! Perfect for family evenings and parties. Important information! Caution! Not suitable for children under 36 months.
