Product Description

Insert: Underwater Cities

e-Raptor Insert compatible with Underwater Cities is a must have accessory designed to organize and improve the experience of the gameplay.

Thanks to this insert players can arrange all game components and sleeved cards to keep them in order – no more mess on the table while playing. No more looking for necessary elements during the game.

Moreover, when the box is closed, the components are still kept in order, ready for setting another game faster than ever!

The insert is durable and made of high-quality HDF. To assemble it, there is no glue required. It allows players to hold all components inside the box.

Attention! Not suitable for children under 36 months.
