Product Description

2 Lies. 1 Truth is a rousing and extremely entertaining party game with more than 300 funny, embarrassing and daring statements. Crazy anecdotes, fascinating experiences and curious stories are the starting point of this exciting game. The first player draws two cards from the deck and chooses three of the statements depicted on them. Two of the statements can be made up, but one experience must be true or accurate. The player now reads the three statements out loud - and now the other players have to guess which statement actually happened to the player and which statements are outright lies. One or two surprising moments are inevitable! 2 lies. 1 Truth guarantees lots of party fun and is also an excellent way to get to know your fellow players in a humorous way. A crazy, electrifying game and the ideal gift for old and new friends! Important information Caution! Not suitable for children under 36 months.
