Product Description

Several creatures of the night are up to mischief in the Werewolves Big Box: Not only werewolves lurk in the darkness, but also vampires! Will the villagers be able to unmask the monsters and banish them from their village before they fall victim to them? The Werewolves Big Box includes the classic communication game for large groups, Werewolves, as well as Werewolves - Vampire Night, which can be played independently or in combination. With the Werewolves Big Box, up to 50 people can now play together. The limited edition also includes the two previously published promo cards Stray Cat and Watchdog as well as a notepad and pencil. The tried-and-tested game principle is also retained in the Big Box: Every night, the vampires or the werewolves secretly eat a human. The following day, all players discuss who among them could be a vampire or werewolf - and can lynch the most suspicious person after a vote. Special characters such as the insomniac, the mayor or the investigator can get to the bottom of the monsters, but will they be believed the next day? - Number of players: For 8 to 50 players aged 10 and over- Playing time: 30 to 90 minutes- Format: 13cm x 18.5cm x 6.5cm- Weight: 560 g- Type: Big Box Contents: - 53 character cards- 2 overview cards- 1 notepad- 1 pencil- 1 instruction booklet Important notes Caution!
