Product Description

"Among the blind, the one-eyed man is king!" So the saying goes and, as always, a piece of wisdom can be applied to Cthulhu ... For the Investigators fearlessly confront the abominations of the Cthulhu Mythos. Unsuspecting, clinging to an illusory reality, blind and deaf to the true circumstances. But does it always have to be like this? No! In their fight for survival, the Investigators need all the help they can get. And this book provides them with exactly that: countless tips and tricks for a successful confrontation with the Cthulhu Mythos! Who knows if this won't help many a shaken figure from the circle of Investigators to reach retirement age and then tell their grandchildren: "You wouldn't believe what I experienced back in the 1920s! And today I'm sitting here with you because I took some very helpful tips to heart!" These include:- Tips for dealing with Mythos magic- Worldly resources such as weapons, equipment, relationships and- Skills- Effective resistance to the Mythos- Concepts for Investigators from creation to retirement- Format: 21cm x 29.7cm- Weight: 260 g- Type: Rulebook Contents:- Softcover- black and white- 72 pages
