Product Description

A failed spell has scattered the inhabitants of Fabulantica all over the land. Confused as to what it was, they wait in the shelter of the towers for help, as no one knows where the others have gone. The players must now help the characters in Fabulantica to find their friends again. Players can move from place to place using horses, donkeys, camels, ships or the magic carpet. Firstly, they look for those depicted in the lower part of the face-up mission cards, then their friends in the upper part of the card. They receive a gold coin as a reward. However, every time someone is successfully found, the corresponding figure moves to a different location. Little stories help you to remember who has moved where. Fabulantica is a fairytale-like memory game with a catchy travelling mechanism. Players have to plan exactly how to use their travel cards to get to the places where they suspect the fairytale characters they are looking for. Important information! Not suitable for children under 36 months. - Number of players: For 2 to 5 players aged 6 and over. Playing time: 20 to 30 minutes
