Product Description

Flying brooms, talking cats and all kinds of magical things can be found at the secret midnight market for magic supplies. Of course, only adult magicians are allowed to visit! But aren't there a few magic students from Year 2 there? They should be in bed by now! They have secretly sneaked out of school after dark. Of course, Willi, the guardian spirit, has long since discovered the cheeky prowlers and is hot on their heels. But now it's time to hurry back to the magic school before Willi catches them! The little light creatures called Lumies light the way, but if you follow the wrong ones, they can lead the players astray. The co-operative magic game Zauberei hoch drei skilfully combines theme and mechanics. Thanks to its short duration, lovingly designed material and exciting gameplay, it invites you to play it over and over again without losing any of its appeal. Important information! Not suitable for children under 36 months. - Number of players: For 2 to 6 players aged 6 and over - Playing time: 20 to 30 minutes
