### Product Description

Train your thinking in 50 steps: This box offers systematic mental training for thinking optimisers! If you want to specifically train your own thinking skills in a certain area, these card sets are perfect for you. Experienced British puzzle author Charles Phillips has put together 50 varied exercises for logical, creative or tactical thinking, which can be used to systematically improve mental abilities. The level of difficulty of the exercises gradually increases, which makes for particularly effective mental training. The perfect mental exercise for in between! The "Train your tactical thinking in 50 steps" card set helps you to plan ahead and find the best possible result for every scenario. Important information Caution: Not suitable for children under 36 months. - Number of players: For 1+ players aged 12 and over- Playing time: 2 to 222 minutes
