Why did the family eat the grandmother by the spoonful? The aim is to find out the story behind it by guessing. Not always that easy... How to play: The guessing team version: The card set contains 50 tricky, pitch-black puzzle cards for teenagers and adults, which have to be solved by asking clever questions. On the back of the card is the answer, which the master naturally keeps to themselves. Now the guessers have to "ask" themselves the answer to the story. The questions should be formulated in such a way that they can be answered with "yes" or "no".
