The morbid, creepy, frightening and sometimes entertaining mysteries are about death and accidents that couldn't be more gruesome. How did the naked man die on the mountainside and why did he have a match in his hand? Why are three one-armed men happy to receive a parcel with a severed arm? Why did the family eat the grandmother by the spoonful? The aim is to find out the story behind it by guessing. Not always that easy...50 brand new and pitch-black mystery stories will make your blood run cold. And the scariest thing about this REAL CRIME EDITION: the stories are real. They really happened, exactly as described, down to the last drop of blood. Whether murderous crimes, tragic misfortunes or macabre deaths: stories written by life! If your hair isn't standing on end yet, then solve the puzzle. By asking questions, guessing and puzzling, the course of events is reconstructed piece by piece. Really creepy guessing fun!How to play: The card set contains 50 tricky, pitch-black puzzle cards for teenagers and adults, which have to be solved by asking clever questions. It's most fun to crack black stories together with friends. One person, the master, takes a card from the pile and reads out the short story on the front of the card. On the back of the card is the answer, which the master naturally keeps to themselves. Now the guessers have to "ask" themselves the answer to the story. The questions should be formulated in such a way that they can be answered with "yes" or "no". Spooky and fun guessing fun for small and large groups - can also be played digitally.New riddle pro game variant:Three riddle cards are solved per game. Only the game master knows the solution and the guessing team approaches it step by step by asking questions, guessing and puzzling ... as usual! But watch out: Particularly clever questions that lead to a hot clue are rewarded with point chips. Whoever has collected the most point chips at the end of the game wins!- Number of players: For 2+ players aged 12+- Playing time: 15 minutes
