Why did the family eat the grandmother by the spoonful? The aim is to find out the story behind it by guessing. Not always that easy... 50 pitch-black riddles are waiting to be deciphered by you! And the most hair-raising thing about this edition: the stories really happened. Whether it's an accident caused by stupidity, a carelessly performed stunt or a miserably failed test of courage: stories written by life - goosebumps and incredulous amazement guaranteed! The questions should be formulated in such a way that they can be answered with "yes" or "no". Spooky and fun guessing fun for small and large groups - can also be played digitally. new riddle pro game variant: Three riddle cards are solved per game. Only the game master knows the solution and the guessing team approaches it step by step by asking questions, guessing and puzzling ... as usual! But watch out: Particularly clever questions that lead to a hot clue are rewarded with point chips. Whoever has collected the most point chips at the end of the game wins!- Number of players: For 2+ players aged 12+- Playing time: 15 minutes
