Product Description

Magical bookshelf XXL (18000 pieces) Puzzle in proven Ravensburger quality. Discover something relaxing. Colin Thompson's extremely lively illustrations of curious shelves are currently among the most sought-after puzzle motifs. No wonder, as the colourful pictures are full of imaginative elements, amusing details and, last but not least, British charm. The really curious thing about it: the artist is colour-blind! With the magical XXL bookshelf with 18,000 pieces, which measures 2.76 x 1.92 metres, the author and illustrator of children's books faced his greatest challenge yet. He masterfully solved it and created a man-sized shelf with countless details to discover. Now it's up to the puzzlers to take up the challenge and put together 8kg of puzzle pieces (in 4 bags) to create an impressive overall picture. experience unrivalled puzzle fun with Ravensburger quality products. The unique puzzle pieces fit together perfectly. Thanks to handmade punching tools, the variety of shapes of Ravensburger puzzle pieces is unrivalled. This is Ravensburger's passion for quality.
