Product Description

Special edition of the classic game! The cockroach, the dice, the cutlery and the traps glow in the dark, so you can play in the light or in the dark. But whether it's day or night, only those who turn the cutlery quickly and correctly will lure the cockroach into one of the four traps! And every time the cockroach is caught, the owner of the trap receives a glow-in-the-dark chip. Whoever gets hold of five chips first wins the hunt for the light-shy creepy-crawly. Switch off the lights and the cockroach, the dice, the cutlery and even the traps start to glow! The classic game gets a new and special edition just in time for its anniversary and captivates young and old alike!
