Product Description

Paar-Parade !, card game for 2 to 8 players, ages 7+ (DE edition)

The couple parade card game! for the whole family contains four different games in one! All cards are printed with cool figures and colorful motifs and match in one way or another. If you quickly find cards with matching elements and play your cards quickly, you are ahead of the game. On the cards you can see cute unicorns, robots, dinosaurs and other characters in colorful outfits with matching accessories. Is the same figure printed on two different cards? Then it's a couple. Are two different characters wearing a top in the same color? Then it's a couple. Do two different characters each have a skateboard in their hands? Then it's a couple! Lightning-fast reactions are now required, because every game is about how quickly a match is discovered.

And the fun goes even further: there is a link in the instructions to access six bonus games. This fast-paced card game for the whole family is perfect for children from the age of 7. Warning! Not suitable for children under 36 months.
