## Product Description

Pictionary Air: Planet Erde, for 2 to 4 players, ages 8+ (DE extension)

With Pictionary Air (sold separately), players can paint in the air, broadcast the game on TV and guess various terms related to PLANET EARTH! This expansion pack with over 550 clues offers even more fun.

The Pictionary Air game is required for the expansion pack. Sold separately.

Pictionary Air is the drawing game classic for the whole family in an exciting new format! Simply download the free Pictionary Air app and off you go. After opening the app, the camera is pointed at the drawing player, who can then be seen on the screen together with his drawing. It gets even more fun when the pictures are transferred to the TV with Apple TV, Chromecast or another streaming service. A compatible streaming-capable device is required for this. Device compatibility can be checked on the Pictionary Air help page ([www.pictionary.com/support](http://www.pictionary.com/support)). This game for the whole family is perfect for game nights and parties.

Warning! Not suitable for children under 36 months. Batteries included

- Players: 2 to 4 players, ages 8+
- Duration: 30 minutes
