Product Description

A group of friends are organising a dinner party in their late grandfather's house at his request. An old house on the outskirts of the city is to be your weekend home. But the very first night ends fatally for your friend Nils and you find him dead in the ice chamber the next morning. Everyone claims to have no recollection of last night and suspicion slowly grows... Why did Nils have to die and who is responsible for his death? Together as a team, you recapitulate the events of the previous evening. Which of you has your friend on your conscience? Tote frieren nicht is a combination of crime game and murder mystery dinner - let yourself be captivated. Together as a team, you recapitulate the events of the previous evening. You take on a character, find and discuss motives and alibis. Use the browser-based app to immerse yourself in the action, co-operate with the others and recap the events! Blur the line between game and reality! Important information Warning! Not suitable for children under 36 months. - Number of people: For 4 to 6 players aged 14 and over. Playing time: 90 to 150 minutes
