### Product Description

Crystal Puzzle - Black Panther (39 pieces) Piece by piece, assemble a beautiful plastic crystal figure in the shape of a black panther from the differently shaped individual pieces. The three-dimensional puzzle is a real challenge for your spatial imagination: the two-dimensional pictures in the instructions have to be transformed into three-dimensional objects. Each 3D puzzle piece looks different, making it particularly tricky. If you're good at puzzles, you'll be rewarded with a high-quality decorative element. Collect all the puzzles and discover the large Crystal Puzzles with even more pieces. Important information Caution! Not suitable for children under 36 months.
