Product Description

DESCRIPTION DER TASCHEN-THERAPEUT: After Moral-o-mat and Nostal-g-o-mat, the latest flip book for all generations. Berlin journalist Pia Frey has finally followed up and is now publishing a decision-making oracle for a wide range of life situations - the pocket therapist. This marvel in ring binder form is a life coach and provides advice in an endless loop, right on the threshold between seriousness and irony. The pocket therapist has a slightly handier format than the Moral-o-mat and can be conveniently stowed away in any pocket. Important notes Caution! Not suitable for children under 36 months.
