### Product Description

**DESCRIPTION** We love these flexible paper cards with a 3D cube look! Unlimited laying possibilities in a stimulating aesthetic. This illusionistic game combines the best of puzzles, dominoes and solitaire, as it offers deceleration and thoughtful relaxation at the same time. It can be played alone or in pairs, in which case there is no competition, only cooperation. Together you work on good form. With these 56 wonder cards printed on both sides, countless surprising, original, possible and impossible three-dimensional shapes are created, inviting you to constantly find new forms. The impossible becomes reality in this game - the visions of M.C. Escher, the master of pictorial illusions, send their regards. Important information: Caution! Not suitable for children under 36 months.
