Product Description

DESCRIPTIONDoesn't everyone wish they had the right wisdom for every keyword? There's now a manual miracle machine for this, the Moral-o-mat: in the blink of an eye, it generates 125,000 powerful assertions that are guaranteed to astonish or provoke a resolute rebuttal. It always works, because the sentence modules can be freely combined and immediately make sense. One controversial thesis follows the next. Finally, everyone can shine with intellect and foresight. The Moral-o-mat produces sentences without an expiry date, which can be used to elevate any discussion to an intellectual meta-level. Because it shows that the truth is multifaceted, but not arbitrary. Important information! Not suitable for children under 36 months.
