Product Description

The rules of the game are very simple: in the first round, the terms have to be paraphrased. In the second round, the same terms are mimed in a different order and in the third round, the terms may only be paraphrased using sounds. You shouldn't be embarrassed so quickly. Are you ready for lots of fun and laughter? The game contains 660 words and can be played anywhere and by anyone. No complicated rules - just pure fun.
