Product Description

The question game with the knockout factor! Thanks for asking is a super entertaining game with the twist that players get to choose the questions for their opponents. The aim of the game is to knock the other players out of the game as quickly as possible with questions that they are unlikely to be able to answer. Because anyone who answers a question incorrectly is out. But whoever answers correctly stays in the game and gets to decide who has to answer the next question. One after the other is eliminated and the last person standing wins the round! An entertaining game with a fast pace and more than 400 interesting questions - without any complicated rules. As simple as it is entertaining! The perfect gift for a great game night with family or friends! Important information Caution! Not suitable for children under 36 months.
