Product Description

Remember Our Trip - Board Game, for 2-4 players, from 10 years

Remember our trip refreshes the holiday memories when the trip you actually planned is cancelled.

In the game Remember our trip by the successful Japanese author Saashi (Coffee Roaster, Trains) up to 4 friends remember their last city trip to Kyoto and Singapore together. They have to display the exact location of the respective sights, hotels, parks, shops and restaurants on their own player tableau. And the more they match the actual coordinates, the more points they get. Additional points are awarded for impressive photographs or for completing missions. But be careful, deceptive memories can quickly lead to minus points. In the end, the winner will be the one whose reconstruction of the plan has the most matches.
