Product Description

EXIT - Die vergessene Insel, Escape game (DE), for 1-4 players, ages 12+

A sailing excursion in the Pacific ends in a storm. The boat capsizes and the players are stranded on a seemingly deserted island. But apparently they are not the first on this island. On the beach they find a chained boat. A stranger has puzzled the whole island. Will the team solve them all, untie the boat, and escape?

With EXIT - The Game, players with a little combination talent, team spirit and creativity gradually discover more and more objects, crack codes, solve puzzles and get closer to the treasure piece by piece. Unusual paths also have to be followed. The material can be kinked, written on or torn. Once the secret is revealed, the event game cannot be played a second time. That makes the game evening a special highlight.
