Product Description

Catan - Junior, board game (DE), for 2-4 players, ages 6+

Land in sight! The players drive their ships across the sea as pirates and discover new islands. With the "this and that" tiles such as wood, sheep, saber and pineapple, they build new ships and set up more pirate camps on the coasts. If you place your warehouse cleverly, with a little luck you will quickly receive the right items that you need for the next warehouse. But be careful! The peaceful pirate existence is always disturbed by the nasty Captain Klau, who likes to get in the way of the players.

With the revised new edition, the cult game for the youngest can now also be experienced in small groups. The game is just as suitable for two players as it is for a group of three to four Catan fans. Thanks to the simplified exchange rules and the child-friendly "this and that" tokens, even the youngest Catan fans have a lot of fun playing.

- Catan is everywhere - the cult game is now also on the go.
- Fun on the train ride, in the mountain hut, on the beach ...
- In a practical plastic case.
