Product Description

Blimey! Quick! Fascinating! Darned because it is not so easy to cover the surfaces correctly with the 6-corner shapes in a short time. Fast because all the players play at the same time. Fascinating because you won't want to stop once you've started. Ubongo extreme is the tricky laying fun for the whole family the new challenge with darn shaped 6-corner pieces. A wonderful game that is addictive and wants to be played again and again.
