Stadt, Land, Klugscheisser is a great and rousing version of the classic game "Stadt, Land, Fluss". A real mood maker with a very high fun factor! In each of the categories, you have to enter a word that begins with a certain letter. But you also have the chance to double your points if you write down a unique term that you think no one else has thought of. In this case, simply tick the smart aleck box next to the word, cross your fingers and double your points! But no risk, no fun: if someone has chosen the same word, the smart arse will receive 0 points for the round. An entertaining, fast-paced game with an extra kick!
