### Product Description

The wobbly egg has landed safely in the boat - but what now? The egg needs an island where it can be hatched. But will it arrive safely on Egg Land? Or will it go overboard first? Two to four players coordinate their actions and use their cards to steer the boat across the game board. The wobbly egg rolls menacingly back and forth on the boat seesaw and is balanced by the travelling dodo. Once the last island has been reached and the wobbly egg is still on the boat seesaw, everyone wins together! The bobbing boat and the wobbly egg provide great and turbulent fun in this co-operative children's and family game for ages 7 and up. Important information Caution: Not suitable for children under 36 months. - Number of players: For 2 to 4 players aged 7 and up - Playing time: 25 minutes
