Product Description

UNO Junior, card game for 2 to 4 players, ages 3+ (DE edition)

This simplified UNO card game for younger players can be played with several levels of difficulty and grows with the children. The cards are designed for every number from 0 to 8 with lovable zoo animals, so that children from 3 years can find the right card. Since the game can be played with three different levels of difficulty, it keeps pace with the child's development.

The players try to lay down all their cards as quickly as possible so that they match the card on top of the pile - either by color or by animal or number. Very important: if you only have one card in hand, you have to shout "UNO!". Subject to deviations in color and design.

Attention! Not suitable for children under 36 months.

- Players: For 2 to 4 players, ages 3+
- Playing time: 15 minutes
