Product Description

black party - Der Tod des Paten, card game (DE), for 6-7 players, ages 16+

Here comes the black party - the murderous crime game for the home, where you slip into the role of characters involved in a spectacular murder case. All characters have their dirty secrets and a motive for murder, but only one is the murderer. And the players have to find out about that.

In the Sicilian town of Montemare, the law of the mafia still prevails. The godfather declares death and those who do not cooperate with the "family" usually have a short life expectancy. But one Sunday afternoon the godfather is perforated like a sieve in a classic way from a passing Fiat when leaving the church. Who can find out about the murderer?
