Product Description

UNO The classic! Card game for 2 to 10 players, ages 7+ (DE, FR, IT edition)

Once you start, you never stop! With this new edition of the classic UNO game, individual cards provide a very special twist. The players take turns placing matching cards on the pile of cards and trying to be the first to get rid of all cards. Special action cards always bring new twists and turns and make the other players look old.

If a player discards the hand exchange card, he can exchange his cards with any other player. And you can write your own house rules on the three individual (and erasable) joker cards. There are 19 cards each in the colors red, green, blue and yellow, 8 draw 2, return and suspension cards in the respective colors, 4 color choice cards, 4 draw 4 color choice cards, 1 hand exchange card and 3 individual cards. If a player does not have a suitable card, he must draw one from the deck.

But don't forget to call UNO when you only have one card left. The player who was the first to discard all of his cards receives points for the cards that his fellow players still have in hand. The first player to have 500 points wins.

Warning! Not suitable for children under 36 months.

- Players: For 2 to 10 players, ages 7+
