Product Description

Famous pop stars, hip artists and corrupt politicians meet for sex, drugs and rock'n'roll at Disco Number One in New York in the 1980s. This is where property tycoon Johnny Champ strikes new deals, picks up the hottest models and generally acts like the great Larry. But tonight, the giant disco ball comes crashing down on him. That doesn't just happen ... That was murder! The game begins with a fictitious murder: the story is read out by the host. Beforehand, all players have been assigned a role. Now the group tries to find out who the murderer is. The host repeatedly provides hidden police clues, rumours, accusations and motives to help solve the murder. The game ends as soon as the murder has been solved. Important notes: Caution: Not suitable for children under 36 months. - Number of players: For 6 to 7 players aged 16 and over - Playing time: 180 to 60 minutes
